This is a speech delivered by one Mr. Sadasiva Rao at a public meeting held in Ramanna Setty Park. Shimoga on 1-4-1947 arranged under the auspices of the Election Propaganda Committee in connection with the elections to the Town Municipal Council.

Referring to corruption (vide para 2), the speaker states that high officials including Ministers, take bribes and that the officials neglect their duties. The other portions also excite disaffection towards Government. The allegation that the Ministers do not take any interest in the State and that the reason for India losing its independence is that too many Rajas are ruling, are likely to excite hatred and enmity towards the Government. The speech taken as a whole is seditious.

"ஒரு முதல் ஆட்சி" is translated as "too many Rajas" which of course is not correct. It means "too many leaders" such a sweeping statement as such officials including ministers take bribes" carries with it its own condemnation and does not deserve notice. as also the statement that Sir A. Ramaswamy Mudaliar got the leaders arrested the next day after the 'Quit India' Resolution.

The speeches of Mr Sadasiva Rao if any made on previous occasions were called for they deserve to be examined.

The speech appears to me to be seditious. It is against Rajas & ministers, & clearly tends to sow disaffection to the Govt. established by Law. Disaffection may be excited in a

give the impression that the prominent idea
idea is to bring the Govt & its supporters into hatred
& contempt & misc hostile feelings such as would

Proceedings of a public meeting held at Ramanna Setty Park, Shimoga on the night of 1-4-1947 under the Presidentship of Mr.H.S.Rudrappa, President, District Board, Shimoga. The meeting had been arranged under the auspices of the Election Propaganda Committee in connection with the elections to the Town Municipal Council, Shimoga to be held on 2-4-1947.

Mr.S.R.Nagappa Setty proposed ✗ Mr.H.S.Rudrappa to preside over the occasion. Accordingly Mr.H.S.Rudrappa took the chair. Mr.H.S.Rudrappa requested Mr.Sadasiva Rao to address the gathering.

Mr.Sadasiva Rao. "Friends, You know why the election will be held. It is your election. If you elect members now, you cannot think of electing for 3 more years. You have to choose your representatives now. You must think before choosing your representatives. You should only choose such people who can really work for the sake of the public.

Consider, what responsibility you have. Out of the 40,000 people of this country, about 2,500 can only vote. In my opinion atleast about 10 to 15 thousand people should vote. All the people who are above 18 years of age should have power to vote. Have you thought of this? You should consider whether it is so in the other States. In other countries which have advanced lately, people above 15 years can vote. It is not so in the case of India. Even the British Indian provinces are advancing of late. Think of our State. Even though we have our own Maharaja here, we have no adult franchise. Only about 2,500 members have power to vote.

We have only very little power, i.e. voting. Even if we misuse this little power and do not act in a proper way in choosing representatives, we have to suffer for 3 years. If you do not properly use your discretion and franchise your votes in respect of the selfish people who work in a selfish manner to gain their own ends, you have to suffer very much. The congress is shining well. It is trying to gain the co-operation and sympathies of you all.

I ask you to think as to what has happened in Shimoga during the past 6 years after the congress came into power. It is trying its best to serve the public in all the possible ways to the best of its ability. Think yourselves whether Shimoga is remaining in the same state as before. The population of Shimoga has increased to a great extent during the past six years. Have you thought that if the population increases, it is very difficult to provide every convenience to all by the Municipality. The Municipality wants sufficient funds for all these works. When such is the condition, you cannot accuse the Municipality that every convenience is not provided to you. When all of you have no power to vote, what power can a Municipality have? Some people are under the impression that the congress is not doing anything in the Municipality. You know, as Mr.H.Siddiah told you, with what an amount of difficulty the Municipality was able to get a sanction of Rs.10,000/-,towards the eradication of Malaria etc., in the Town, from the Government. Only Congress alone can work for the people and Congress is capable of doing such things. But at the same time I tell you that some mistakes may be committed by congressmen in their individual capacity. You should not take into consideration the mistakes done by congressmen in their individual capacity and accuse the congress organisation itself. The individual congressmen may not have helped anybody. But as a body, congress has certainly helped and is working hard to serve the people.

So the candidates who have stood on behalf of the congress are your people. As such you should all vote for them and elect them.

Let us consider the position of the congress. There was a great war. Afterwards there was a great revolution in 1942. As a result of the sacrifices by the congress, Peoples' Government has been established now. Wherever you see Peoples' Governments are progressing. England was ruled by Tories and Conservatives formerly. Mr.Churchill who is the leader of the Tory Party and who saved England during the time of war, had to go back after the war, and Mr.Atlee was elected by the people as they thought him to be the

The Britishers have now announced that they are ready to depart from India by 1948 with bag and baggage after transferring power to the people here since they thought that they cannot rule us any longer. In India there may be differences between Hindus & Muslims now. But after the Britishers leave India, certainly there will be unity between the Hindus & Muslims.

As you know for a small reason Mr.Prakasham had to resign and go. A no-confidence motion was brought against Mr. Prakasham by the people and ad to resign. Because the Peoples' Government is established there, Rul[illegible] & Regulations are enforced irrespective of the personalities. But it is not so in our State.

Many Control Orders are passed. But when we ask for Cloth and Food we cannot get them. See the neighbouring Provinces of Karnataka. The system of Food Rationing is working so satisfactorily. But in our Government they cannot give effect to the control orders properly. The officials say that they are not ~~taking~~ taking any bribes. But I say, the high officials, even the Ministers take bribes. You go to any office during the Office hours. You see whether there will be atleast 25% of the staff present - No. The officials have no desire to work as they are not getting handsome salary. But this is not so in the case of high officials.

To-day in our Mysore State the politics has gone bad. ([illegible]). On the one side the Ministers do not take interest in the State. The other officials have to look after their families and they do not pay attention to the State affairs. Then who is to look after the State. It is you, people, who has to look-after the State. You should consider these things. If the same state of affairs were to continue, then India will certainly get back into the hands of the British as before. The reason for India losing its independence is that too many Rajas are ruling. ([illegible]). There should be one Government for the whole of Hindustan. Then only there can be peace and harmony among the people. To establish one Government for the whole of India, the Indian National Congress is trying. There is much of opposition to the Indian National Congress - Muslim League, Hindu Mahasabha, Rajas and untouchables. They want to devide India. Sir C.P.Ramaswamy Iyer says that his State will become independent. But our Highness has not tried to say anything. Our Sir A.Ramaswamy Mudaliar may try to establish a Government with repressive policy. But it is not possible.

So to eradicate all this you should all unite and help the congress. Unfortunately our Mysore State Congress is suffering very much. The people cannot understand the politics of Mysore. As there is no Responsible Government in our State the aspirations of the people cannot be fulfilled.

Referring to the fines levied on Mr.Alagappa Chettiar and 9 others of Madras Presidency, the speaker said, Law is enforced there rigidly, irrespective of the personalities and positions the people hold. Justice is meted out to everybody.

So there is only one thing to solve all these problems - the Responsible Government. Our Highness is educated. He knows politics. The British Government tried to put down the congress. When the "Quit India" resolution was passed, the leaders were caused to be arrested the next day by Sir A.Ramaswamy Mudaliar.

Congress is contesting to the present elections with no greed for power but for serving the people sincerely.

At this stage one Mr.Venkatesha Bhatta got up and said "You are contesting for the sake of power, and justice cannot be expected from congress persons in Shimoga." Mr.Sadasiva Rao after hearing regarding his complaint that the Municipality did not grant a license to him to build a house, replied that it would be enquired into. and also Mr.Sadasiva Rao could not reply satisfactorily the complainant. [illegible]

Then Mr.Sadasiva Rao exhorted the audience to give their votes to the

Mr.Dinkar. Shimoga addressing the gathering and speaking about the complaint of Mr.Venkatesha Bhatta, said that for the fault committed by some congress man in the Municipality, the congress organisation as a whole should not be accused. He requested the audience to be united and reserve their votes in favour of the congress candidates.

Mr.S.R.Nagappa Setty. speaking about the introduction of the underground drainage system in Shimoga Town said that the Government collects taxes etc., from other Districts and utilise it to beautify the Cities of Bangalore & Mysore alone and added that such thing is not justified. He exhorted the audience to be united and to help the congress by giving their votes.

Mr.H.S.Rudrappa in his Presidential address explained that the congress is working in the interest of the people. He exhorted the audience to consider and think over the matter in exercising their votes and said that the people may give their votes to those candidates whom the people think worthy of being elected.

With a vote of thanks proposed by Mr.S.R.Nagappa Setty the meeting terminated.

The meeting which commenced at about 10-30 P.M. terminated at about 11-30 P.M. The gathering was about 100.

Copy of letter No.93/46-47 dated the 21st April 1947 from the District Superintendent of Police, Shimoga to the Deputy Commissioner, Shimoga.

With reference to your letter No. C.C.157/46-47 dated the 15-4-47 re:the antecedents of Mr. Sadasiva Rao, I have the honour to state that he is a native of Putmane, Yadoor village, Hosanagar Taluk. He is ascertained to pay a land revenue to the extent of about Rs.100/- being in a joint family. Being a relative of Mr. Kasaravalli Nagabhushana Rao, a rich land lord of Thirthahalli Taluk, he came down to Thirthahalli for studies. He has passed the S.S.L.C. examination. While at Thirthahalli he used to associate with Mr. Kalingaiahana Raghavendra Rao, a staunch congressite and began to evince keen interest in the Congress activities.

During the QUIT INDIA movement of 1942, he began to take a leading part at Thirthahalli by way of arranging for public meetings, taking out Prabhat pheries etc. His associates were M/s. Raghurama Bhatta, K. Nagabhushana Rao, Krishnegowda, Gopala Gowda, B. Shyama Ithal, Chidambara Sastry and a few others. They formed in a group and began to indulge themselves in the subversive activities like theft of Postal letter box cutting of telegraphic wire and such other things. There was no sufficient evidence to prosecute him for any specific offence. He began to carry on his activities from under ground. However, his associates noted above were prosecuted for specific offences and were convicted in the lower court. But on appeal the sentences were quashed except that of Krishnegowda, whose sentence was upheld by the District And Sesseions Judge, Shimoga in Criminal Appeal No.123 and 124/42-43. After his associates were arrested, he absconded.

He re-appeared and on 9-1-'43 he addressed a public meeting (by which time, a warrant of arrest had been issued) held at Thirthahalli, explaining the audience the difficulties arising out of Food Control, enemy attacks on Calcutta and Chittagong and the levy of punitive tax in the Province of Assam. He finally exhorted the audience to continue the present struggle by joinging the Congress.

Mr. Sadasiva Rao, Kasaravalli, Thirthahalli Taluk was arrested by the Thirthahalli Police on 10-1-43 in pursuance of a warrant issued by the District Magistrate Shimoga District, in C.C.219/42-43 dated 21-9-42 under Rule 26(b) Sub rule(1) &(5) of the D.I. Rulesand detained.

He was released from the Bangalore Central Jail as per orders of the Government in the Chief Secretary's letter No. P.1-9 dated 4-10-1943.

He came to little prominence when he stodd as a candidate to the membership of the District Board in 1944 from Hosanagar Taluk constituency on Congress ticket. He was elected as a member to the District Board from Hosanagar Taluk in the election held on 29-4-44. He tendered his resignation to the said membership during February 1947 on the ground that the congress party cannot serve to the satisfaction of the people by remaining in local bodies.

On 9-5-'46, he addressed a public meeting arranged in Ramanna Setty Park Shimoga to condole the death of Bhula Bai Desai-when he paid a glowing tribute to the services rendered by Bulabai Desai in the cause of the country.

He is not however a good speaker. He always accompanies leaders to arrange for public meetings etc.,. His activities are now extended to Thirthahalli and Hosanagar Taluks.
